# NATURAL GEMS VIP MEMBERSHIP

**Already getting injectables or skin treatments? Become a Natural Gems VIP Member and unlock exclusive savings all year long.**

Our membership is easy: choose a monthly credit of \$79, \$199, or \$399. That amount goes straight into your Naturally You account to use on products, injectables, or any service. If you want something that's over your monthly credit, no stress — we'll use your banked amount, you just pay the difference and still get VIP pricing.
